

## Notes for Forms 27/28-Beginning Literacy

- ✦ Teach the below words/phrases as sight words
- ✦ Make sure students can match upper to lowercase alphabet letters
- ✦ Introduce common abbreviations for days of the week (e.g. Monday = M, Mon.)
- ✦ Students should learn to recognize the months (January-December)
- ✦ Students will need to be able to tell time on an analog clock

For some of the test items student must be able to identify both the word and its symbol or what it stands for (see below).
